Professional Events

Students are expected to dress in formal dress code for more professional events.

Formal Dance Attire Policy

The purpose of the Formal Dance Attire Policy is to ensure our students maintain modesty at all formal dances, whether on campus or at an off-campus venue, and to prepare students for formal settings later in life. Students are strongly encouraged to be responsible with the Formal Dance Attire Policy by selecting attire that is modest, displays proper respect for self and others, and honors the formality of the event. Attending a JICHS formal dance is acknowledgement and agreement by the student to follow the policies and procedures of JICHS concerning behavior, dress, etc. as outlined in this document and

the JICHS Student Handbook. At JICHS-sponsored events, respect and modesty are the keys when it comes to behavior and attire.

Formal dresses, with or without straps, must conform to the following parameters:

1. Cleavage may not show from any angle at any time. Low cut dresses or tops are not allowed.
2. The backs of dresses may not be lower than the bottom of the shoulder blades.
3. The highest part of the opaque hemline of a dress or skirt, including any slits, must be no higher than the top of the kneecap in front, on the sides, and in the back while standing straight. Opaque is defined as not transparent or translucent; not allowing light to pass through. If an opaque slip is worn to lengthen a short hem, it must remain at the required height for the entire event.
4. See-through and/or excessively tight-fitting dresses or skirts are not allowed.
5. Dresses and attire must be compliant without sweaters, shawls, scarves or other accessories.

Dress Shirts, Pants, Belts, Shoes, etc.

1. Collared, long-sleeved dress shirts must be worn. Shirts must be tucked in and buttoned for the duration of the dance and while on the property of the dance site. The top button may be unbuttoned, and sleeves may be rolled up, if desired.
2. If wearing a dress shirt, ties, bowties, or neckpieces must be worn.
3. Dress pants must be worn unless noted by admin.
4. See-through and/or excessively tight-fitting clothing are not allowed.
5. Jackets are optional and may be taken off during the event.

Make-up and jewelry: Dress code policies still apply. If students have any question or doubt whether an item of clothing, jewelry, make-up, etc. is acceptable, they must show it, in person, to the Dean of Students or their designee for approval at least two weeks prior to the dance.

Violations of the Formal Dance Attire Policy any time during the dance and while on the property of the dance site may result in the student being denied entry to the dance or removed from the dance with no refund. It is the responsibility of the JICHS student to inform a guest of the dress code policy. Anyone (student, guest, parent/guardian, family member, etc.) who displays rude or disruptive behavior as a result of a faculty or staff member directive will be asked to leave the premises immediately, without a refund, and can be charged with a Class 3 Misdemeanor according to state law (C.R.S. 18-9-109).

Faculty/staff members will be on site during the dance to ensure only those students who are following this policy are permitted into the dance.

IMPORTANT: JICHS and its representatives are not financially responsible for any issues related to the non-approval of, or denial of admission to a dance due to, inappropriate dresses, clothing, etc. JICHS formal dances are considered "closed" events.

Once a student exits the facility or venue, he/she will not be permitted to return to the dance for any reason.

Formal dances end at 11:00 p.m. All students need to be picked up or off campus no later than 15 minutes after the event ends. All drivers who are picking students up need to be on campus or at the venue by 11:00 p.m. Parents/guardians who do not pick up their student by 11:15 p.m. may be charged a childcare fee of \$25.

Since Prom is generally held at a venue that is not exclusive to JICHHS, James Irwin Charter Schools and its employees or agents are not liable for any student activity outside of the rented event area (i.e. ballroom and lobby) and rented event time.

Any inappropriate behavior which takes place outside the rented area can be reported to the proper authorities (CSPD, CSFD, etc.) at the discretion of the establishment's owner. All students are strongly encouraged to be cautious with their safety and personal items when traveling to and from any off-campus school-sponsored.

Blue Denim Jeans Day Fridays

At the discretion of the JICHHS staff and administration students may participate in a school fund-raiser and wear dress-code blue denim jeans on designated Fridays for \$1. All blue denim clothing must be free of holes, frays, tears, tatters, threadbare spots, bleaching, stains, or rips. Blue denim clothing must conform to all acceptable fit and style requirements, with the exception that denim bottoms may have exterior pockets. Students may also wear a JICHHS related tee shirt for no additional cost on Jeans Day Fridays.

Not paying for denim bottoms on Jeans Day Fridays or wearing a non-JICHHS related tee shirt constitutes a dress code violation. All proceeds will go directly to the Jags Uncaged! fund or other designated fundraiser. On Fridays, students who do not pay \$1.00 must wear the regular Monday through Thursday dress code, except for JICHHS-related tops, as explained above.
