Calling all handy parents! Volunteers needed to build sound panels for our multi-purpose room (gym/cafeteria). This is a much needed item to be made before May 15th to utilize this space for Graduation and Assemblies.

We have two PTEC families that have graciously donated towards the purchase of the items needed.

Mr. Jaramillo has offered his shop classroom to use. Can you handle a hammer, nail, and staple gun?

We need your skills! Thanks for making our school better!

Please email Mrs. Grenier at jamie.grenier@jamesirwin.org to help out.

Attention Juniors: If your diploma type consists of the Work-based and Innovative Learning Opportunity Program (ILOP), there is an upcoming meeting you need to attend. You and a legal guardian will need to be in attendance at this meeting on Thursday, April 25, at 5:30PM. This will help you understand the requirements to be part of this program next school year. Not sure if you have that diploma type? Want to have that diploma type?

Dear PTEC Parent or Guardian,

State and federal laws require students to take standardized assessments in the instructional areas of English language arts, mathematics, and science. Parents or guardians wishing to exempt their student from an assessment may request to do so. Please note that the SAT is one of the postsecondary readiness assessments that can be used to meet graduation requirements. PTEC uses these assessments and others to determine the achievement and growth of our students, ensure appropriate instruction and resources for students, evaluate the effectiveness of curriculum and instruction, and determine the performance level of our school in comparison to the district and state.

The anticipated assessment schedule is listed below. Changes may be necessary due to weather related delays and closures. Please note that the Extended Time groups are specific to students with a 504 Plan or IEP. If you have questions about state required testing, please contact kelly.dias@jamesirwin.org.
